1. Purpose. This regulation sets forth the mission and major functions of DSAFE and assigns responsibility and delegates authority of the Commanding Officer for the accomplishment of assigned missions.

2. Mission. The DSAFE performs logistics support to the Eighth U.S. Army (EUSA) by preparing Purchase Request Packages for contracts with the Republic of Korea (ROK) industrial base for overflow Intermediate General Support and Depot Level Maintenance, Central Staging and Hands

Off functions (Total Package Fielding) in support of the EUSA's Force Modernization Equipment.

### 3. Major Functions.

a. Perform overflow Intermediate General Support (IGS) and management of depot-level maintenance contracts within Korean industry, including the completion of technical data packages and statements of work; performs technical assistance on request; COR responsibilities; forecast workloads; and monitor overall contractor's performance.

b. Operate a Total Package Fielding (TPF) central site to consolidate and ensure complete systems; i.e.; end items, Authorized Stockage List, Prescribed Load List, special tools, test equipment, additional support items of equipment, and technical manuals, are handed off to units receiving new force modernization equipment.

c. Act as a central point of contact in country for execution of the AMC Warranty Program and assisting in the resolution of warranty-related problems during peacetime only.

d. Serve as agent for AMC Major Subordinate Commands (MSCs) to interface/coordinate Letters of Notification, Modification Work Order Fielding Plan (MWOFPP), and MWOs in the Republic of Korea. Negotiate location and schedule for application of MWOs. Receive, store, and issue MWO kits and maintain MWO status reporting.

4. Relationships. The DSAFE is under the command jurisdiction of the Commanding General, IOC. The Commanding Officer, DSAFE, is assigned responsibility and delegated authority to exercise command jurisdiction over the installation in accordance with mission assigned. Administrative and logistical support is provided and received IAW agreements negotiated between DSAFE, its tenants, and other Government services/activities. The DSAFE performs work for its customers on a mostly reimbursable basis, with limited funding provided from the IOC.

### 5. Materiel Assignments.

a. Completes depot and general level support of Class II, VII, IX, and various government furnished repair parts. Responsible to complete TPF of the major items and components listed under the above classification.
